MEMORANDUM

To: Members of the Government Efficiency Task Force
From: Abraham Uccello, Chairman
Subject: 2012 Member Submissions
Date: January 31, 2012

Thank you all for your carefully considered ideas for government efficiencies and cost savings. I appreciate your hard work on these submissions, especially since this is an extremely busy time of year for many of you.

Staff are currently developing a schedule to start vetting these items in work groups. They will be in touch to assist you in formalizing your submissions and preparing them for work group consideration.

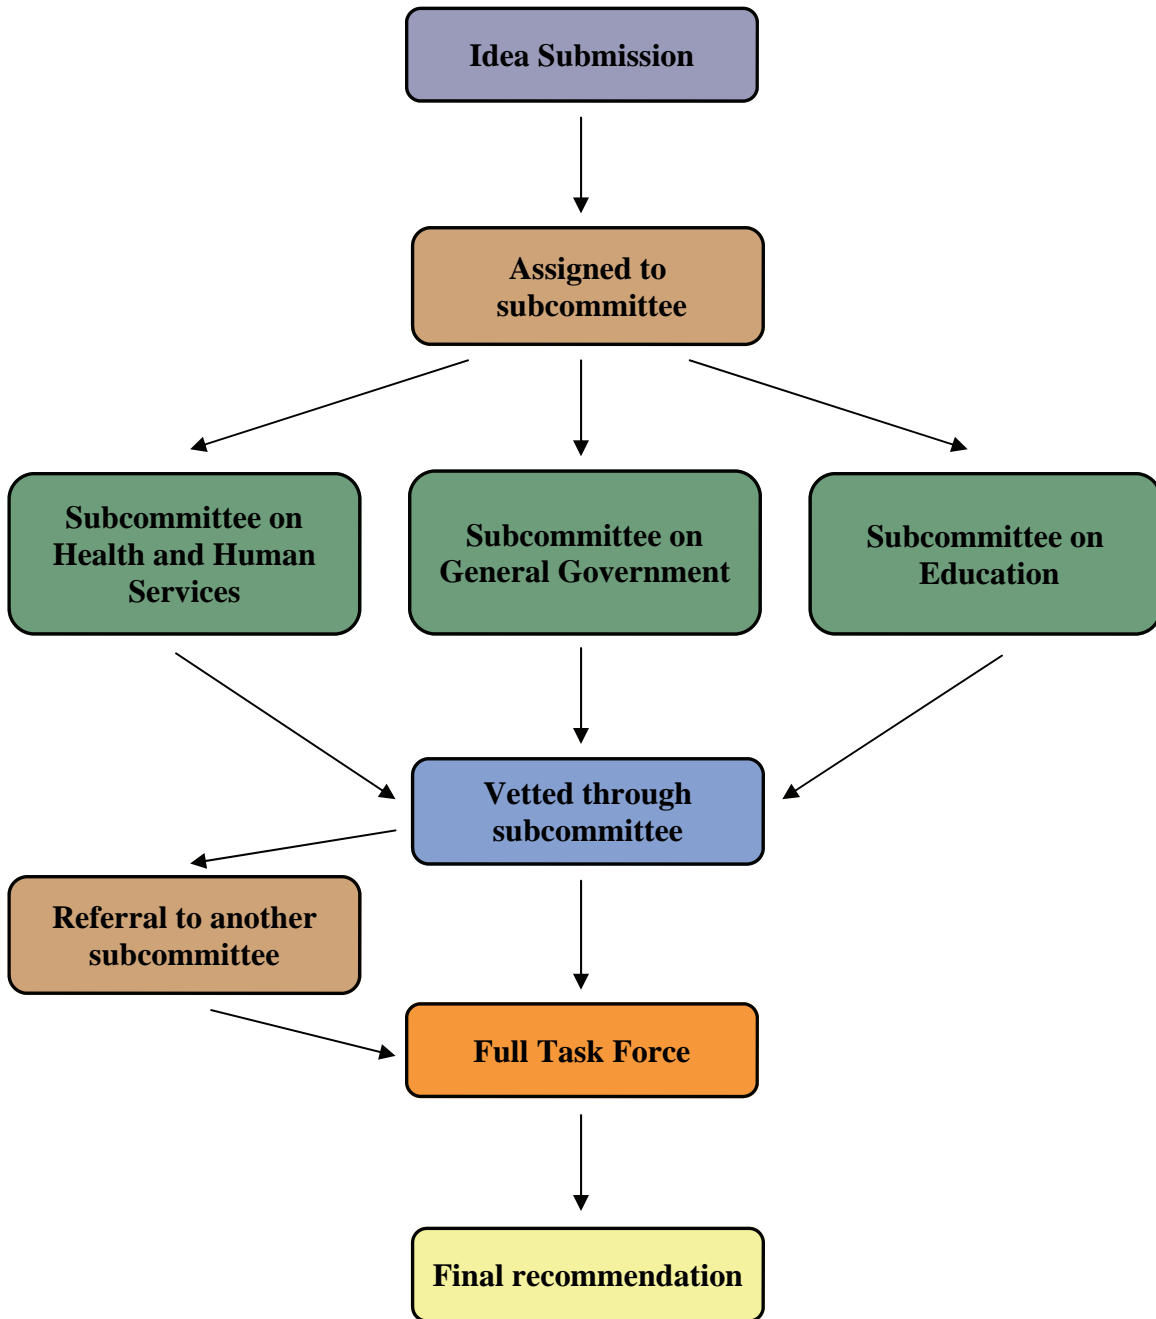

This spring, the Task Force will be following a modified work group process. We will form standing subcommittees that will work group multiple ideas instead of focusing on a single recommendation. This will enable us to consider a greater number of your ideas and efficiently move items to consideration by the full Task Force.

The following subcommittees are created: the Subcommittee on Education, chaired by Belinda Keiser; the Subcommittee on General Government, chaired by Senator Pat Neal; and the Subcommittee on Health and Human Services, chaired by Bob Rohrlack. I would like to thank the chairs for taking on this distinguished task.

As with our fall 2011 calendar, most work group meetings will be held via teleconference and scheduled around the availability of the members of each work group. We are happy to announce that a new member of our staff team, Bill Gaillard, will be assisting us in the scheduling process. Please watch for communications from him regarding your calendar.

Thank you again for your tireless work on behalf the State of Florida and its citizens. I sincerely appreciate your efforts and look forward to reaching our goal of \$3 billion in savings over four years.
