

**Florida Department of Commerce
Six-Month Status of Audit Findings
OPPAGA Report No. 22-06
(Florida Economic Development Program Evaluations – Year 10)**

In a letter dated October 31, 2022, the Department of Economic Opportunity provided contextual information related to findings and observations in OPPAGA Report No. 22-06. This information included statistics regarding employment growth in Florida and feedback regarding the nature and intent of economic development programs.

This response reflects the current status, and the Florida Department of Commerce will be prepared to provide additional information if needed.
