Dear Chief Inspector General Miguel:

Section 20.055, Florida Statutes, requires the Inspector General to monitor the implementation of the agency's response to any report on the Florida Lottery issued by the Office of Program Policy Analysis and Government Accountability (OPPAGA). The referenced statute further requires that no later than six months after the report is published, the Inspector General must provide a written response on the status of actions taken. The purpose of this letter is to provide updated information on the Florida Lottery's response to OPPAGA's recommendations and fulfill these requirements.

OPPAGA released report #22-02, *Review of the Florida Lottery, 2021*, on January 28, 2022. The attachment details the current progress of Lottery staff to address the recommendation.

If you require additional information in these matters, please feel free to contact me at your earliest convenience at (850) 487-7726.

Sincerely,
