Dear Chief Inspector General Miguel:

Section 20.055(6)(h), Florida Statutes, requires the Inspector General to monitor the implementation of the agency's response to any report on the Florida Lottery issued by the Auditor General. The referenced statute further requires that no later than six months after the report is published, the Inspector General must provide a written response on the status of actions taken. The purpose of this letter is to provide updated information on the agency's response to the Auditor General findings and fulfill these requirements.

The Auditor General released report #2022-106, *Financial Audit for Fiscal Year Ended June 30, 2021*, on January 27, 2022. The attachment details each audit finding and recommendation with the current progress of Lottery staff to address each recommendation.

If you require additional information in these matters, please feel free to contact me at your earliest convenience at (850) 487-7726.

Sincerely,
