

Instructions for Completing the Florida Legislative Employment Application

The Application for Legislative Employment can be accessed online using any of the latest browsers, and may be typed or hand written. We accept electronic signatures.

- For best results, download and fill out the application and save it in Adobe Reader, as some browsers do not allow for electronic signatures.
- Select the hand tool 
- Position the pointer on a form line or inside a form box. The I-beam pointer allows you to type text. The arrow pointer allows you to select a button or check box. Use your mouse or press Tab to move between form items.
- "Fill in" text fields have character limits. If you need more space, please attach a resume to provide that information.
- This PDF has been extended to enable users with Adobe Acrobat Reader version 11 and greater to save their data with the form to their hard drives. Users with earlier versions of Acrobat Reader can still fill out the form online, but when the form is closed, the information will be erased.
- Either print by clicking the Acrobat *Print* button or prepare for electronic submission.

If you are completing the application within a browser, you may not be able to sign your name electronically. In this case, print the application, sign manually and scan the completed application to the appropriate email, or mail the printed application to the designated mailing address.
