Re: Notification of Collective Bargaining Impasse; Florida Lottery

Dear President Gardiner and Speaker Crisafulli:

An impasse has occurred in the collective bargaining negotiations between the Governor and the two employee associations representing the bargaining units of state employees at the Department of Lottery, pursuant to section 216.163(6), Florida Statutes. We will submit the list of collective bargaining contract articles on which the parties have not reached agreement on February 4, 2015 in accordance with section 447.403(5), Florida Statutes.

Negotiations continue and it is possible that we may reach an agreement. We will keep you informed of any changes resulting from our continued negotiations. If you have questions or concerns, please contact me at 561-3503, or Layne Smith, General Counsel for The Florida Lottery, at 487-7724.

Sincerely,

Re: Notification of Collective Bargaining Impasse; Florida Lottery

Dear President Gardiner and Speaker Crisafulli:

As indicated in our letter dated January 30, 2015, an impasse has occurred in the collective bargaining negotiations between the Governor and the two employee associations representing the bargaining units of state employees at the Department of Lottery, pursuant to section 216.163(6), Florida Statutes.

In accordance with section 447.403(5)(a), Florida Statutes, please be advised that we have reached agreement on all provisions of the collective bargaining agreement with the Police Benevolent Association, with the exception of Article 22 – Wages. Although we anticipate the resolution of most of the contract articles with the Federation of Public Employees, at this time the entire contract is at impasse. Negotiations continue and we will inform you of any tentative agreements reached by the parties regarding these impasse articles.

If you have questions or concerns, please contact me at 561-3503, or Layne Smith, General Counsel for The Florida Lottery, at 487-7724.

Sincerely,

Michael Mattimore
