

The Journal OF THE House of Representatives

Number 15

Thursday, March 7, 2002

The House was called to order by the Speaker at 10:00 a.m.

Prayer

The following prayer was offered by Rabbi Schneur Oirechman of Chabad Lubavitch of the Panhandle of Tallahassee, upon invitation of Rep. Sobel:

Our God and God of our fathers, great, mighty, and revered God, we beseech You in Your abundant mercy: Restore the world unto its true basis, under the guidance of rulers and kings who reign with justice and righteousness, without discrimination between nation and nation, race and race.

We beseech You, O merciful and gracious God: Guide our illustrious President, whom You have chosen as leader of these United States. Strengthen and encourage him and his ministers.

Guide and strengthen the Governor and the honorable Representatives of the citizens of the great state of Florida currently sitting in this House. Bless their efforts to save this land from war and destruction and wherever they turn in the cause of humanity, on behalf of this nation, and for the benefit of all nations.

Send the angels of blessing and success to fortify them and those who stand united with them, citizens of freedom-loving democracies of the world, tormented by terrorists who utterly reject the most basic of all human and divine values.

Almighty God, cause war and its calamities to be ended and an era of peace and justice with its blessings to begin speedily in our days. Amen.

Explanation of Vote for Sequence Number 796

I think we can all agree that children are our most precious commodity. House Bill 1283 gives us the opportunity to celebrate our children and strengthen Florida’s families through Parents’ and Children’s Day. In the spirit of Mother’s Day and Father’s Day, Florida Parents’ and Children’s Day will be celebrated each year on the first Sunday in April.

The centerpiece of this legislation is a private sector driven public awareness campaign which will help give parents the information they need to access prenatal and infant care, training and education in parenting skills, high quality child care and learning opportunities, and safe and enriching after school experiences.

The Florida Children’s Forum has already agreed to support the public awareness campaign financially, and I am proud to report that Leadership Florida’s Class XX, my class, has taken on this bill as a class project. Each member of our class has agreed to help support the public awareness campaign to strengthen Florida’s families.

Members, please join me in supporting Florida’s families and Florida’s children. I ask for your strong support of Florida Parents’ and Children’s Day.

*Rep. Loranne Ausley

Remove everything after the resolving clause

and insert:

That the amendment to Section 4 of Article III of the State Constitution set forth below is agreed to and shall be submitted to the electors of Florida for approval or rejection at the general election to be held in November 2002:

SECTION 4. Quorum and procedure.—

(a) A majority of the membership of each house shall constitute a quorum, but a smaller number may adjourn from day to day and compel the presence of absent members in such manner and under such penalties as it may prescribe. Each house shall determine its rules of procedure.

(b) Sessions of each house shall be public; except sessions of the senate when considering appointment to or removal from public office may be closed.

(c) Each house shall keep and publish a journal of its proceedings; and upon the request of five members present, the vote of each member voting on any question shall be entered on the journal. In any legislative committee or subcommittee, the vote of each member voting on the final passage of any legislation pending before the committee, and upon the request of any two members of the committee or subcommittee, the vote of each member on any other question, shall be recorded.

(d) Each house may punish a member for contempt or disorderly conduct and, by a two-thirds vote of its membership, may expel a member.

(e) The rules of procedure of each house shall provide that all legislative committee and subcommittee meetings of each house, and joint conference committee meetings, shall be open and noticed to the public. The rules of procedure of each house shall further provide that all prearranged gatherings, between more than two members of the legislature, or between the governor, the president of the senate, or the speaker of the house of representatives, the purpose of which is to agree upon formal legislative action that will be taken at a subsequent time, or at which formal legislative action is taken, regarding pending legislation or amendments, shall be reasonably open to the public. All open meetings shall be subject to order and decorum. This section shall be implemented and defined by the rules of each house, and such rules

shall control admission to the floor of each legislative chamber and may, where reasonably necessary for security purposes or to protect a witness appearing before a committee, provide for the closure of committee meetings.

(f) *The rules of each house shall provide that, with the exception of general appropriation bills, including conference reports therefor, subject to the seventy-two hour public review period pursuant to Section 19 of this Article, and with the exception of concurrent resolutions or resolutions relating to extension of a session or legislative organization or procedures, all bills, joint resolutions, concurrent resolutions, resolutions, memorials, and conference reports shall be furnished in their final form, which form may include unengrossed amendments, to each member of the house hearing the measure at least forty-eight hours prior to final adoption by that house of the legislature. Such rules shall not be subject to waiver, but may provide that amendments of a technical, nonsubstantive nature may be added to such legislation during the 48 hour period.*

(g) Each house shall be the sole judge for the interpretation, implementation, and enforcement of this section.

BE IT FURTHER RESOLVED that in accordance with the requirements of s. 101.161, Florida Statutes, the title and substance of the amendment proposed herein shall appear on the ballot as follows:

REVIEW PERIOD FOR PROPOSED LEGISLATION

Explanation of Vote for Sequence Number 814

I am opposed to House Bill 1967 dealing with the centralization and privatization of all human resource functions. Last year, DMS attempted to do this through proviso language, which required approval

from the Senate President, the Speaker of the House and the Legislative Budget Commission. They never got that approval.

It is no secret that I opposed this effort from the start. I opposed this effort because it happened too fast, and because I have never been convinced that it would provide better value or better services for the people of Florida.

Human resources are truly the heart of any organization whether public or private. Human resources functions include hiring and firing, payroll, and employee relations -- functions that keep our government operating. In this post September 11 world, when our citizens are looking to government for stability, it is imperative that we keep our government operating and serving the people of Florida.

This initiative would cost us \$30 million. In a time when fiscal restraint is our mantra, in a House where we don't have an extra dime for education, how can we justify spending \$30 million for a proposal which has already been rejected?

*Rep. Lorraine Ausley
District 9*

Failure, for any length of time, to provide proof of insurance coverage as required shall result in the immediate suspension of the license until proof of proper insurance is provided to the State Fire Marshal. An insurer which provides such coverage shall notify the State Fire Marshal of any change in coverage or of any termination, cancellation, or nonrenewal of any coverage.

4. The applicant *applies to the State Fire Marshal and successfully completes a prescribed training course offered by the State Fire College or an equivalent course approved by the State Fire Marshal.* This subparagraph does not apply to any holder of or applicant for a permit under paragraph (f) or to a business organization or a governmental entity seeking initial licensure or renewal of an existing license solely for the purpose of inspecting, servicing, repairing, marking, recharging, and maintaining fire extinguishers used and located on the premises of and owned by such organization or entity.

- c. Must not have been convicted of, or pled nolo contendere to, any felony. If an applicant has been convicted of any such felony, the applicant must comply with s. 112.011(1)(b).

This subparagraph does not apply to any holder of or applicant for a permit under paragraph (f) or to a business organization or a governmental entity seeking initial licensure or renewal of an existing license solely for the purpose of inspecting, servicing, repairing, marking, recharging, hydrotesting, and maintaining fire extinguishers used and located on the premises of and owned by such organization or entity.

Such examination shall be developed and administered by the State Fire Marshal *in accordance with the policies and procedures for the State Fire Marshal*. An examination fee shall be paid for each examination scheduled. No reexamination shall be scheduled sooner than 30 days after any administration of an examination to an

applicant. No applicant shall be permitted to take an examination for any level of permit more than four times during 1 year, regardless of the number of applications submitted. As a prerequisite to taking the permit examination, the applicant must be at least 16 years of age.

(g) An applicant who fails the examination may take it three more times during the 1-year period after he or she originally filed an application for the examination. If the applicant fails the examination within 1 year after the application date and he or she seeks to retake the examination, he or she must file a new application, pay the application and examination fees, and successfully complete a prescribed training course offered by the State Fire College or an equivalent course approved by the State Fire Marshal. The applicant may not submit a new application within 6 months after the date of his or her last reexamination.

~~(4)(a) It is unlawful for a fire equipment dealer to engage in training an individual to perform the work of installing, testing, recharging, repairing, or inspecting portable extinguishers or preengineered systems except in conformity with this section. Each individual engaging in such training activity must be registered with the State Fire Marshal. The dealer must register the trainee prior to the trainee performing any work. The dealer must submit training criteria to the State Fire Marshal for review and approval.~~

~~(a)(b) No one that is being trained trainee shall perform work requiring a permit unless an individual possessing a valid and current fire equipment permit for the type of work performed is physically present. The trainee's registration shall be valid for a 90-day period from the date of issuance and is nontransferable and nonrenewable. The initial training period may be extended for an additional 90 days of training if the applicant has filed an application for permit and enrolled in the 40-hour course at the State Fire College within 60 days after the date of registration as a trainee and either the training course at the State Fire College was unavailable to the applicant within the initial training period, at no fault of the applicant, or the applicant attends and fails the 40-hour training course or the competency examination. At no time will an individual be registered as a trainee for more than two 90-day periods as provided in this paragraph. The trainee must:~~

1. Be 18 years of age.
2. Possess on his or her person at all times a valid Florida driver's license or a valid state identification card, issued by the Department of Highway Safety and Motor Vehicles. A trainee must produce identification to the State Fire Marshal or his or her designated representative upon demand.

~~(b)(e) No more than two trainees shall be under the supervision of a single trainer, who shall be directly responsible for all work performed by any trainee while under his or her supervision. No trainee shall perform any work not within the scope of the license or permit held by the fire equipment dealer or permittee directly supervising his or her work.~~

~~(d) Upon completion of a training period, an individual must comply with the provisions of this section to obtain a permit.~~

(5) The State Fire Marshal shall adopt rules providing for the approval of the time, place, and curriculum of each training course required by this section.

(6) Every permittee must have a valid and subsisting permit upon his or her person at all times while engaging in the servicing, recharging, repairing, testing, inspecting, or installing of fire extinguishers and preengineered systems, and every licensee or permittee must be able to produce such license or permit upon demand. In addition, every permittee shall at all times carry an identification card containing his or her photograph and other identifying information as prescribed by the State Fire Marshal or the State Fire Marshal's designee, which shall be produced on demand. The State Fire Marshal shall supply this card at a fee which shall be related to the cost of producing the card.

(7) The fees collected for any such licenses and permits and the filing fees for license and permit examination are hereby appropriated for the use of the State Fire Marshal in the administration of this chapter and shall be deposited in the Insurance Commissioner's Regulatory Trust Fund.

(8) The provisions of this chapter do not apply to inspections by fire chiefs, fire inspectors, fire marshals, or insurance company inspectors.

(9) All fire extinguishers and preengineered systems that are required by statute or by rule must be serviced, recharged, repaired, hydrotested, tested, inspected, and installed in compliance with this chapter and with the rules adopted by the State Fire Marshal. The State Fire Marshal may adopt by rule the standards of the National Fire Protection Association and of other reputable national organizations.

(10) If the licensee leaves the business organization or dies, the business organization shall immediately notify the State Fire Marshal of the licensee's departure, shall return the license to the State Fire Marshal, and shall have a grace period of 60 days in which to license another person under the provisions of this chapter, failing which the business shall no longer perform those activities for which a license under this section is required.

and insert:

Section 3. Section 409.960, Florida Statutes, is created to read:

409.960 Short title.—Sections 409.960-409.984 may be cited as the “Florida Prescription Drug Fair Pricing Act.”

Section 4. Section 409.962, Florida Statutes, is created to read:

409.962 Florida Prescription Drug Fair Pricing Program established; findings; purpose.—

(1) It is the finding of the Legislature that approximately one in four residents of Florida have no prescription drug insurance coverage or wholly inadequate prescription drug insurance coverage. These uninsured residents pay excessive prices for prescription drugs, far higher prices than are paid by managed care organizations, insurance companies, and the Federal Government for the same medicines and dosages. In many cases, these excessive drug prices have the effect of denying residents access to medically necessary care, thereby threatening their health and safety. Many Florida residents require repeated doctor or medical clinic appointments, having become sicker because they could not afford to purchase the prescription drugs prescribed for them. Many residents are admitted to or treated at hospitals each year because they cannot afford the prescription drugs that could have prevented the need for hospitalization. Many others enter expensive institutional care settings because they cannot afford the necessary prescription drugs that could have supported them outside of an institution. In each of these circumstances, state medical assistance programs, including the Medicaid program, literally pay the price. One major reason uninsured residents pay such high prices for prescription drugs is that, unlike insured residents, they have no prescription benefits manager negotiating a fair price with drug companies on their behalf. State government currently provides prescription drugs and acts as a prescription benefit manager through a variety of health plans and assistance programs and, in 2001, the Legislature expanded the state’s role in negotiating better prescription drug prices for Medicaid. State government is the only agent that, as a practical matter, can play an effective role as a market participant on behalf of all residents who are uninsured or underinsured. The state can and should act as a prescription benefit manager, negotiating drug rebates and using these funds to reimburse retail pharmacies for offering lower drug prices.

(2) Recognizing that the state already acts as a prescription benefit manager for a variety of health plans and assistance programs, including the Medicaid program, the Florida Prescription Drug Fair Pricing Program is established within the Agency for Health Care Administration. The purpose of the program is to expand Medicaid eligibility for prescription drug benefits only, at a level that does not exceed available funding, thereby providing prescription drug coverage to new populations by expanding the state's role as a participant in the prescription drug marketplace, negotiating rebates from drug companies, and using the funds from such rebates to make prescription drugs more affordable to Florida residents. Each program participant shall receive a discount toward the purchase of any prescription drug included on the state Medicaid preferred drug formulary established pursuant to s. 409.912. No discount shall be applied toward the purchase of any prescription drug that is not included on such formulary. The Legislature finds that such a program will improve public health and welfare, promote the economic strength of our society, and substantially benefit state health assistance programs, including the Medicaid program.

Section 5. Section 409.964, Florida Statutes, is created to read:

409.972 *Program operation.*—

If a discrepancy still exists following the audit, the manufacturer or labeler shall justify the reason for the discrepancy or make payment to the agency for any additional amount due.

(2) If there is a discrepancy against the interest of the manufacturer or labeler in the information provided by the agency to the manufacturer or labeler regarding the manufacturer's or labeler's rebate, the manufacturer or labeler, at the manufacturer's or labeler's expense, may hire a mutually agreed-upon independent auditor to verify the accuracy of the data supplied to the agency. Rep. Gelber moved the adoption of the amendment.

Point of Order

Rep. Fasano raised a point of order, under Rule 12.9, that the amendment expanded the scope of the bill and was not germane.

Rep. Fasano stated that SB 604 "deals exclusively with 'Centralized prescription filling' which the bill defines as the filling of a prescription by one pharmacy upon request by another pharmacy to fill or refill the prescription. The term also includes the performance, by one pharmacy for another pharmacy, other pharmacy duties."

Rep. Goodlette, Chair of the Committee on Rules, Ethics & Elections, in speaking to the point of order on Amendment 1 to SB 604 stated the amendment expanded the scope of the bill and therefore was not germane.

Rep. Goodlette further explained, "The amendment is essentially the substance of HB 1353 creating the Florida Prescription Drug Fair Pricing Program. The amendment states that 'the purpose of the program is to expand Medicaid eligibility for prescription drug benefits...' The amendment states that the purpose should be accomplished expanding the state's role as a participant in the prescription drug marketplace, negotiating rebates from drug companies. . . ."

"In addition, the amendment creates additional responsibilities for the Secretary of AHCA to operate the program and authorizes rulemaking for implementing of the program.

"Clearly this amendment is not germane as it intends to accomplish a purpose far different than the original bill."

Rep. Goodlette, Chair of the Committee on Rules, Ethics & Elections, recommended that the amendment be ruled out of order pursuant to House Rule 12.9.

The Chair [Speaker Feeney] upon the recommendation of Rep. Goodlette, Chair of the Committee on Rules, Ethics & Elections, ruled the point well taken and the amendment out of order.

Rep. Gelber moved to waive Rule 12.9 and allow consideration of the amendment, which was not agreed to. The vote was:

Amendment 1—
Remove everything after the enacting clause

and insert:

Section 1. Section 112.19, Florida Statutes, is amended to read:

112.19 Law enforcement, correctional, and correctional probation officers; death benefits.—

(1) Whenever used in this section, the term:

(a) “Employer” means a state board, commission, department, division, bureau, or agency, or a county, municipality, or other political subdivision of the state, which employs, appoints, or otherwise engages the services of law enforcement, correctional, or correctional probation officers.

(b) “Law enforcement, correctional, or correctional probation officer” means any officer as defined in s. 943.10(14) or employee of the state or any political subdivision of the state, including any law enforcement officer, correctional officer, correctional probation officer, state attorney investigator, or public defender investigator, whose duties require such officer or employee to investigate, pursue, apprehend, arrest, transport, or maintain custody of persons who are charged with, suspected of committing, or convicted of a crime; and the term includes any member of a bomb disposal unit whose primary responsibility is the location, handling, and disposal of explosive devices. The term also includes any full-time officer or employee of the state or any political subdivision of the state, certified pursuant to chapter 943, whose duties require such officer to serve process or to attend terms of circuit or county court as bailiff.

(c) “Insurance” means insurance procured from a stock company or mutual company or association or exchange authorized to do business as an insurer in this state.

(d) “Fresh pursuit” means the pursuit of a person who has committed or is reasonably suspected of having committed a felony, misdemeanor, traffic infraction, or violation of a county or municipal ordinance. The term does not imply instant pursuit, but pursuit without unreasonable delay.

(2)(a) The sum of \$50,000, as adjusted pursuant to paragraph (j), ~~\$25,000~~ shall be paid as provided in this section when a law enforcement, correctional, or correctional probation officer, while engaged in the performance of the officer’s law enforcement duties, is accidentally killed or receives accidental bodily injury which results in

the loss of the officer's life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted. *Notwithstanding any other provision of law, in no case shall the amount payable under this subsection be less than the actual amount stated therein.*

(b) The sum of \$50,000, as adjusted pursuant to paragraph (j), ~~\$25,000~~ shall be paid as provided in this section if a law enforcement, correctional, or correctional probation officer is accidentally killed as specified in paragraph (a) and the accidental death occurs as a result of the officer's response to fresh pursuit or to the officer's response to what is reasonably believed to be an emergency. This sum is in addition to any sum provided for in paragraph (a). *Notwithstanding any other provision of law, in no case shall the amount payable under this subsection be less than the actual amount stated therein.*

(c) If a law enforcement, correctional, or correctional probation officer, while engaged in the performance of the officer's law enforcement duties, is unlawfully and intentionally killed or dies as a result of such unlawful and intentional act, the sum of \$150,000, as adjusted pursuant to paragraph (j), ~~\$75,000~~ shall be paid as provided in this section. *Notwithstanding any other provision of law, in no case shall the amount payable under this subsection be less than the actual amount stated therein.*

(d) Such payments, pursuant to the provisions of paragraphs (a), (b), and (c), whether secured by insurance or not, shall be made to the beneficiary designated by such law enforcement, correctional, or correctional probation officer in writing, signed by the officer and delivered to the employer during the officer's lifetime. If no such designation is made, then it shall be paid to the officer's surviving child or children and spouse in equal portions, and if there is no surviving child or spouse, then to the officer's parent or parents. If a beneficiary is not designated and there is no surviving child, spouse, or parent, then it shall be paid to the officer's estate.

(e) Such payments, pursuant to the provisions of paragraphs (a), (b), and (c), are in addition to any workers' compensation or pension benefits and are exempt from the claims and demands of creditors of such law enforcement, correctional, or correctional probation officer.

(f) If a full-time law enforcement, correctional, or correctional probation officer who is employed by a state agency is killed in the line of duty as a result of an act of violence inflicted by another person while the officer is engaged in the performance of law enforcement duties or as a result of an assault against the officer under riot conditions, the sum of \$1,000 shall be paid, as provided for in paragraph (d), toward the funeral and burial expenses of such officer. Such benefits are in addition to any other benefits which employee beneficiaries and dependents are entitled to under the provisions of the Workers' Compensation Law or any other state or federal statutes.

(g) Any political subdivision of the state that employs a full-time law enforcement officer as defined in s. 943.10(1) or a full-time correctional officer as defined in s. 943.10(2) who is killed in the line of duty on or after July 1, 1993, as a result of an act of violence inflicted by another person while the officer is engaged in the performance of law enforcement duties or as a result of an assault against the officer under riot conditions shall pay the entire premium of the political subdivision's health insurance plan for the employee's surviving spouse until remarried, and for each dependent child of the employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if:

1. At the time of the employee's death, the child is dependent upon the employee for support; and

2. The surviving child continues to be dependent for support, or the surviving child is a full-time or part-time student and is dependent for support.

(h)1. Any employer who employs a full-time law enforcement, correctional, or correctional probation officer who, on or after January 1, 1995, suffers a catastrophic injury, as defined in s. 440.02(37), in the line of duty shall pay the entire premium of the employer's health

insurance plan for the injured employee, the injured employee's spouse, and for each dependent child of the injured employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if the child continues to be dependent for support, or the child is a full-time or part-time student and is dependent for support. The term "health insurance plan" does not include supplemental benefits that are not part of the basic group health insurance plan. If the injured employee subsequently dies, the employer shall continue to pay the entire health insurance premium for the surviving spouse until remarried, and for the dependent children, under the conditions outlined in this paragraph. However:

a. Health insurance benefits payable from any other source shall reduce benefits payable under this section.

b. It is unlawful for a person to willfully and knowingly make, or cause to be made, or to assist, conspire with, or urge another to make, or cause to be made, any false, fraudulent, or misleading oral or written statement to obtain health insurance coverage as provided under this paragraph. A person who violates this sub-subparagraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

c. In addition to any applicable criminal penalty, upon conviction for a violation as described in sub-subparagraph b., a law enforcement, correctional, or correctional probation officer or other beneficiary who receives or seeks to receive health insurance benefits under this paragraph shall forfeit the right to receive such health insurance benefits, and shall reimburse the employer for all benefits paid due to the fraud or other prohibited activity. For purposes of this sub-subparagraph, "conviction" means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

2. In order for the officer, spouse, and dependent children to be eligible for such insurance coverage, the injury must have occurred as the result of the officer's response to fresh pursuit, the officer's response to what is reasonably believed to be an emergency, or an unlawful act perpetrated by another. Except as otherwise provided herein, nothing in this paragraph shall be construed to limit health insurance coverage for which the officer, spouse, or dependent children may otherwise be eligible, except that a person who qualifies under this section shall not be eligible for the health insurance subsidy provided under chapter 121, chapter 175, or chapter 185.

(i) The Bureau of Crime Prevention and Training within the Department of Legal Affairs shall adopt rules necessary to implement paragraphs (a), (b), and (c).

(j) *Any payments made pursuant to paragraph (a), paragraph (b), or paragraph (c) shall consist of the statutory amount adjusted to reflect price level changes since the effective date of this act. The Bureau of Crime Prevention and Training shall by rule adjust the statutory amount based on the Consumer Price Index for all urban consumers published by the United States Department of Labor. Adjustment shall be made July 1 of each year using the most recent month for which data are available at the time of the adjustment.*

(3) If a law enforcement, correctional, or correctional probation officer is accidentally killed as specified in paragraph (2)(b) on or after June 22, 1990, or unlawfully and intentionally killed as specified in paragraph (2)(c) on or after July 1, 1980, the state shall waive certain educational expenses that the child or spouse ~~which children~~ of the deceased officer ~~incurs~~ ~~incurs~~ while obtaining a vocational-technical certificate, ~~or~~ an undergraduate education, or a postgraduate education. The child or spouse may attend any or all of the institutions specified in this subsection, on either a full-time or part-time basis. The benefits provided to a child under this subsection shall continue ~~to the child~~ until the child's 25th birthday. *The benefits provided to a spouse under this subsection must commence within 5 years after the death occurs, and entitlement thereto shall continue until the 10th anniversary of that death.*

(a) Upon failure of any child or spouse benefited by the provisions of this subsection ~~section~~ to comply with the ordinary and minimum requirements of the institution attended, both as to discipline and scholarship, the benefits shall be withdrawn as to the child or spouse and no further moneys may be expended for the child's or spouse's benefits so long as such failure or delinquency continues.

(b) Only a student in good standing in his or her respective institution may receive the benefits thereof.

(c) A child or spouse receiving benefits under this subsection ~~section~~ must be enrolled according to the customary rules and requirements of the institution attended.

(4)(a) The employer of such law enforcement, correctional, or correctional probation officer is liable for the payment of the sums specified in this section and is deemed self-insured, unless it procures and maintains, or has already procured and maintained, insurance to secure such payments. Any such insurance may cover only the risks indicated in this section, in the amounts indicated in this section, or it may cover those risks and additional risks and may be in larger amounts. Any such insurance shall be placed by such employer only after public bid of such insurance coverage which coverage shall be awarded to the carrier making the lowest best bid.

(5) The Department of Education shall adopt rules and procedures as are necessary to implement the educational benefits provisions of this section.

(6) Notwithstanding any provision of this section to the contrary, the death benefits provided in paragraphs (2)(c) and (g) shall also be applicable and paid in cases where an officer received bodily injury prior to July 1, 1993, and subsequently died on or after July 1, 1993, as a result of such in-line-of-duty injury attributable to an unlawful and intentional act, or an act of violence inflicted by another, or an assault on the officer under riot conditions. Payment of such benefits shall be in accordance with provisions of this section. Section 2. Section 112.191, Florida Statutes, is amended to read:

112.191 Firefighters; death benefits.—

(1) Whenever used in this act:

(a) The term "employer" means a state board, commission, department, division, bureau or agency, or a county, municipality, or other political subdivision of the state.

(b) The term "firefighter" means any full-time duly employed uniformed firefighter employed by an employer, whose primary duty is the prevention and extinguishing of fires, the protection of life and property therefrom, the enforcement of municipal, county, and state fire prevention codes, as well as the enforcement of any law pertaining to the prevention and control of fires, who is certified pursuant to s. 633.35, and who is a member of a duly constituted fire department of such employer or who is a volunteer firefighter.

(c) The term "insurance" means insurance procured from a stock company or mutual company or association or exchange authorized to do business as an insurer in this state.

(2)(a) The sum of \$50,000, as adjusted pursuant to paragraph (i), ~~\$25,000~~ shall be paid as hereinafter provided in this section when a firefighter, while engaged in the performance of his or her firefighter duties, is accidentally killed or receives accidental bodily injury which subsequently results in the loss of the firefighter's life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted. *Notwithstanding any other provision of law,*

in no case shall the amount payable under this subsection be less than the actual amount stated therein.

(b) The sum of \$50,000, as adjusted pursuant to paragraph (i), ~~\$25,000~~ shall be paid as hereinafter provided in this section if a firefighter is accidentally killed as specified in paragraph (a) and the accidental death occurs as a result of the firefighter's response to what is reasonably believed to be an emergency involving the protection of life or property. This sum shall be in addition to any sum provided for in paragraph (a). *Notwithstanding any other provision of law, in no case shall the amount payable under this subsection be less than the actual amount stated therein.*

(c) If a firefighter, while engaged in the performance of his or her firefighter duties, is unlawfully and intentionally killed, dies as a result of a fire which has been determined to have been caused by an act of arson, or subsequently dies as a result of injuries sustained therefrom, the sum of \$150,000, as adjusted pursuant to paragraph (i), ~~\$75,000~~ shall be paid as hereinafter provided in this section. *Notwithstanding any other provision of law, in no case shall the amount payable under this subsection be less than the actual amount stated therein.*

(d) Such payments, pursuant to paragraphs (a), (b), and (c), whether secured by insurance or not, shall be made to the beneficiary designated by such firefighter in writing, signed by the firefighter and delivered to the employer during the firefighter's lifetime. If no such designation is made, then it shall be paid to the firefighter's surviving child or children and spouse in equal portions, and if there be no surviving child or spouse, then to the firefighter's parent or parents. If a beneficiary designation is not made and there is no surviving child, spouse, or parent, then it shall be paid to the firefighter's estate.

(e) Such payments, pursuant to the provisions of paragraphs (a), (b), and (c), shall be in addition to any workers' compensation or pension benefits and shall be exempt from the claims and demands of creditors of such firefighter.

(f) Any political subdivision of the state that employs a full-time firefighter who is killed in the line of duty on or after July 1, 1993, as a result of an act of violence inflicted by another person while the firefighter is engaged in the performance of firefighter duties, as a result of a fire which has been determined to have been caused by an act of arson, or as a result of an assault against the firefighter under riot conditions shall pay the entire premium of the political subdivision's health insurance plan for the employee's surviving spouse until remarried, and for each dependent child of the employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if:

1. At the time of the employee's death, the child is dependent upon the employee for support; and

2. The surviving child continues to be dependent for support, or the surviving child is a full-time or part-time student and is dependent for support.

(g)1. Any employer who employs a full-time firefighter who, on or after January 1, 1995, suffers a catastrophic injury, as defined in s. 440.02(37), in the line of duty shall pay the entire premium of the employer's health insurance plan for the injured employee, the injured employee's spouse, and for each dependent child of the injured employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if the child continues to be dependent for support, or the child is a full-time or part-time student and is dependent for support. The term "health insurance plan" does not include supplemental benefits that are not part of the basic group health insurance plan. If the injured employee subsequently dies, the employer shall continue to pay the entire health insurance premium for the surviving spouse until remarried, and for the dependent children, under the conditions outlined in this paragraph. However:

a. Health insurance benefits payable from any other source shall reduce benefits payable under this section.

A person who violates this sub-paragraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

c. In addition to any applicable criminal penalty, upon conviction for a violation as described in sub-paragraph b., a firefighter or other beneficiary who receives or seeks to receive health insurance benefits under this paragraph shall forfeit the right to receive such health insurance benefits, and shall reimburse the employer for all benefits paid due to the fraud or other prohibited activity. For purposes of this sub-paragraph, "conviction" means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

2. In order for the firefighter, spouse, and dependent children to be eligible for such insurance coverage, the injury must have occurred as the result of the firefighter's response to what is reasonably believed to be an emergency involving the protection of life or property, or an unlawful act perpetrated by another. Except as otherwise provided herein, nothing in this paragraph shall be construed to limit health insurance coverage for which the firefighter, spouse, or dependent children may otherwise be eligible, except that a person who qualifies for benefits under this section shall not be eligible for the health insurance subsidy provided under chapter 121, chapter 175, or chapter 185.

Notwithstanding any provision of this section to the contrary, the death benefits provided in paragraphs (b), (c), and (f) shall also be applicable and paid in cases where a firefighter received bodily injury prior to July 1, 1993, and subsequently died on or after July 1, 1993, as a result of such in-line-of-duty injury.

(Amendment Bar Code: 441423)

Amendment 1 (with title amendment)—
Remove everything after the enacting clause

and insert:

Section 1. Subsection (7) of section 39.502, Florida Statutes, is amended to read:

(7) Service of the summons and service of pleadings, papers, and notices subsequent to the summons on persons outside this state must be made pursuant to s. 61.509 ~~s. 61.1312~~.

Section 2. For purposes of incorporating amendments to s. 61.13, F.S., subsection (2) of section 44.102, F.S., is re-enacted to read:

44.102 Court-ordered mediation.—

(2) A court, under rules adopted by the Supreme Court:

(a) Must, upon request of one party, refer to mediation any filed civil action for monetary damages, provided the requesting party is willing and able to pay the costs of the mediation or the costs can be equitably divided between the parties, unless:

1. The action is a landlord and tenant dispute that does not include a claim for personal injury.
2. The action is filed for the purpose of collecting a debt.
3. The action is a claim of medical malpractice.
4. The action is governed by the Florida Small Claims Rules.
5. The court determines that the action is proper for referral to nonbinding arbitration under this chapter.
6. The parties have agreed to binding arbitration.
7. The parties have agreed to an expedited trial pursuant to s. 45.075.
8. The parties have agreed to voluntary trial resolution pursuant to s. 44.104.

(b) May refer to mediation all or any part of a filed civil action for which mediation is not required under this section.

(c) In circuits in which a family mediation program has been established and upon a court finding of a dispute, shall refer to mediation all or part of custody, visitation, or other parental responsibility issues as defined in s. 61.13. (d) In circuits in which a dependency or in need of services mediation program has been established, may refer to mediation all or any portion of a matter relating to dependency or to a child in need of services or a family in need of services.

Section 3. Paragraph (b) of subsection (2) of section 61.13, Florida Statutes, is amended, and paragraph (e) is added to said subsection, to read:

61.13 Custody and support of children; visitation rights; power of court in making orders.—

(2)

(b)1. The court shall determine all matters relating to custody of each minor child of the parties in accordance with the best interests of the child and in accordance with the Uniform Child Custody Jurisdiction and Enforcement Act. It is the public policy of this state to assure that each minor child has frequent and continuing contact with both parents after the parents separate or the marriage of the parties is dissolved and to encourage parents to share the rights and responsibilities, and joys, of childrearing. After considering all relevant facts, the father of the child shall be given the same consideration as the mother in determining the primary residence of a child irrespective of the age or sex of the child.

(e) *When either parent materially violates a visitation or custody order without proper cause or consent of the other parent, in addition to any other remedies and sanctions provided at law, the court may order the violating party to post a bond or other security sufficient to provide for economic damages to the other party for any future violation. For purposes of this section, a material violation of a visitation or custody order shall include failure of either parent to provide care for a child during a time designated in a court order for him or her to be responsible for the child. However, when a party materially violates a visitation or custody order by removing the child from this state or country or by concealing the whereabouts of the child, section 4. of this bill and not this subsection shall apply.*

1. *This subsection does not apply when a parent who is the victim of any act of domestic violence or who has reasonable cause to believe he or she is about to become the victim of any act of domestic violence, as defined in s. 741.28, takes action contrary to a visitation or custody order based upon a good faith belief that such action was necessary to preserve the child from danger to his or her welfare. However, in order to gain the exemption conferred in this subparagraph, the party claiming the*

exemption must within 10 days of the violation file with the court that issued the visitation or custody order an affidavit setting out the facts which are the basis for claiming the exemption.

2. Upon a future material violation of any custody or visitation order entered under this section, the court may order the bond or other security forfeited in whole or in part. The proceeds of any bond or other security posted pursuant to this subsection may be used to reimburse the nonviolating party for actual costs or damages, including without limitation the costs to locate and return the child, reasonable attorney's fees and costs, and lost wages or child care expenses.

3. The court must consider the party's financial resources prior to setting the bond amount under this section. Under no circumstances may the court set a bond that is unreasonable.

4. Any deficiency of bond or security shall not absolve the violating party of responsibility to pay the full amount of damages determined by the court.

5. Any remaining proceeds shall be held as further security if deemed necessary by the court, and if further security is not found to be necessary; applied to any child support arrears owed by the parent against whom the bond was required, and if no arrears exists; all remaining proceeds will be allocated by the court in the best interest of the child.

6. At any time after the forfeiture of the bond or other security, the party who posted the bond or other security, or the court on its own motion may request that the party provide documentation substantiating that the proceeds received as a result of the forfeiture have been used solely in accordance with this subsection. Any party using such proceeds for purposes not in accordance with this section may be found in contempt of court.

Section 4. (1) In a proceeding in which the court enters an order of child custody or visitation, including in a modification proceeding, upon the presentation of competent substantial evidence that there is a risk that one party may violate the court's order of visitation or custody by removing a child from this state or country or by concealing the whereabouts of a child, or upon stipulation of the parties, the court may:

(a) Order that a parent may not remove the child from this state without the notarized written permission of both parents or further court order;

(b) Order that a parent may not remove the child from this country without the notarized written permission of both parents or further court order;

(c) Order that a parent may not take the child to a country that has not ratified or acceded to the Hague Convention on the Civil Aspects of International Child Abduction unless the other parent agrees in writing that the child may be taken to the country; or

(d) Require a parent to surrender the passport of the child;

(e) Require that party to post bond or other security.

(2) If the court enters an order of child custody or visitation, including in a modification proceeding, that includes a provision entered under (b) or (c) a certified copy of the order should be sent by the parent who requested the restriction to the Passport Services Office of the U.S. Department of State requesting that they not issue a passport to the child without their signature or further court order.

(3) In assessing the need for a bond or other security, the court may consider any reasonable factor bearing upon the risk that a party may violate a visitation or custody order by removing a child from this state or country or by concealing the whereabouts of a child, including but not limited to whether:

(a) A court has previously found that a party previously removed a child from Florida or another state in violation of a custody or visitation order, or whether a court had found that a party has threatened to take a child out of Florida or another state in violation of a custody or visitation order;

(b) The party has strong family and community ties to Florida or to other states or countries, including whether the party or child is a citizen of another country;

(c) The party has strong financial reasons to remain in Florida or to relocate to another state or country;

(d) The party has engaged in activities that suggest plans to leave Florida, such as quitting employment; sale of a residence or termination of a lease on a residence, without efforts to acquire an alternative residence in the state; closing bank accounts or otherwise liquidating assets; or applying for a passport;

(e) Either party has had a history of domestic violence as either a victim or perpetrator, child abuse or child neglect evidenced by criminal history, including but not limited to, arrest, an injunction for protection against domestic violence issued after notice and hearing under s. 741.30, medical records, affidavits, or any other relevant information; or

(f) The party has a criminal record.

(4) The court must consider the party's financial resources prior to setting the bond amount under this section. Under no circumstances may the court set a bond that is unreasonable.

(5) Any deficiency of bond or security shall not absolve the violating party of responsibility to pay the full amount of damages determined by the court.

(6) Upon presentation of competent substantial evidence that the party who posted the bond or other security has materially violated a court order of visitation or custody by removing the child from this state or country or by concealing the whereabouts of the child, the court may order the bond or other security forfeited in whole or in part. This section does not apply when a parent who is the victim of any act of domestic violence or who has reasonable cause to believe he or she is about to become the victim of any act of domestic violence, as defined in s. 741.28, seeks shelter from such acts or possible acts and takes with him or her, or conceals, any child 17 years of age or younger. However, in order to gain the exemption conferred in this subparagraph, the party claiming the exemption must comply with the requirements set out in s. 787.03(6)(b), F.S.

(7) Upon an order of forfeiture, the proceeds of any bond or other security posted pursuant to this subsection may only be used to:

(a) Reimburse the nonviolating party for actual costs or damages incurred in upholding the court's order of custody or visitation.

(b) Locate and return the child to the residence as set forth in the visitation or custody order.

(c) Reimburse reasonable fees and costs as determined by the court.

(d) Any remaining proceeds shall be held as further security if deemed necessary by the court, and if further security is not found to be necessary; applied to any child support arrears owed by the parent against whom the bond was required, and if no arrears exists; all remaining proceeds will be allocated by the court in the best interest of the child.

(8) At any time after the forfeiture of the bond or other security, the party who posted the bond or other security, or the court on its own motion may request that the party provide documentation substantiating that the proceeds received as a result of the forfeiture have been used solely in accordance with this subsection. Any party using such proceeds for purposes not in accordance with this section may be found in contempt of court.

61.507 *Effect of child custody determination.—A child custody determination made by a court of this state which had jurisdiction under this part binds all persons who have been served in accordance with the laws of this state or notified in accordance with s. 61.509 or who have submitted to the jurisdiction of the court, and who have been given an opportunity to be heard. As to those persons, the determination is conclusive as to all decided issues of law and fact except to the extent the determination is modified.*

61.508 *Priority.—If a question of existence or exercise of jurisdiction under this part is raised in a child custody proceeding, the question, upon request of a party, must be given priority on the calendar and handled expeditiously.*

61.509 Notice to persons outside the state.—

(1) Notice required for the exercise of jurisdiction when a person is outside this state may be given in a manner prescribed by the laws of the state in which the service is made. Notice must be given in a manner reasonably calculated to give actual notice, but may be made by publication if other means are not effective.

(2) Proof of service may be made in the manner prescribed by the laws of the state in which the service is made.

(3) Notice is not required for the exercise of jurisdiction with respect to a person who submits to the jurisdiction of the court.

61.510 Appearance and limited immunity.—

(1) A party to a child custody proceeding, including a modification proceeding, or a petitioner or respondent in a proceeding to enforce or register a child custody determination, is not subject to personal jurisdiction in this state for another proceeding or purpose solely by reason of having participated, or of having been physically present for the purpose of participating, in the proceeding.

(2) A person who is subject to personal jurisdiction in this state on a basis other than physical presence is not immune from service of process in this state. A party present in this state who is subject to the jurisdiction of another state is not immune from service of process allowable under the laws of that state.

(3) The immunity granted by subsection (1) does not extend to civil litigation based on an act unrelated to the participation in a proceeding under this part which was committed by an individual while present in this state.

61.511 Communication between courts.—

(1) A court of this state may communicate with a court in another state concerning a proceeding arising under this part.

(2) The court shall allow the parties to participate in the communication. If the parties elect to participate in the communication, they must be given the opportunity to present facts and legal arguments before a decision on jurisdiction is made.

(3) Communication between courts on schedules, calendars, court records, and similar matters may occur without informing the parties. A record need not be made of the communication.

(4) Except as otherwise provided in subsection (3), a record must be made of a communication under this section. The parties must be informed promptly of the communication and granted access to the record.

(5) For purposes of this section, the term "record" means a form of information, including, but not limited to, an electronic recording or transcription by a court reporter which creates a verbatim memorialization of any communication between two or more individuals or entities.

61.512 Taking testimony in another state.—

(1) In addition to other procedures available to a party, a party to a child custody proceeding may offer testimony of witnesses who are located in another state, including testimony of the parties and the child, by deposition or other means available in this state for testimony taken in another state. The court on its own motion may order that the testimony of a person be taken in another state and may prescribe the manner in which and the terms upon which the testimony is taken.

(2) Upon agreement of the parties, a court of this state may permit an individual residing in another state to be deposed or to testify by telephone, audiovisual means, or other electronic means before a designated court or at another location in that state. A court of this state shall cooperate with courts of other states in designating an appropriate location for the deposition or testimony.

(3) Documentary evidence transmitted from another state to a court of this state by technological means that does not produce an original

writing may not be excluded from evidence on an objection based on the means of transmission.

61.513 Cooperation between courts; preservation of records.—

(1) A court of this state may request the appropriate court of another state to:

(a) Hold an evidentiary hearing;

(b) Order a person to produce or give evidence pursuant to the laws of that state;

(c) Order that an evaluation be made with respect to the custody of a child involved in a pending proceeding pursuant to the laws of the state where the proceeding is pending;

(d) Forward to the court of this state a certified copy of the transcript of the record of the hearing, the evidence otherwise presented, and any evaluation prepared in compliance with the request; or

(e) Order a party to a child custody proceeding or any person having physical custody of the child to appear in the proceeding with or without the child.

(2) Upon request of a court of another state, a court of this state may hold a hearing or enter an order described in subsection (1).

(3) Travel and other necessary and reasonable expenses incurred under subsections (1) and (2) may be assessed against the parties according to the laws of this state if the court has personal jurisdiction over the party against whom these expenses are being assessed.

(4) A court of this state shall preserve the pleadings, orders, decrees, records of hearings, evaluations, and other pertinent records with respect to a child custody proceeding until the child attains 18 years of age. Upon appropriate request by a court or law enforcement official of another state, the court shall forward a certified copy of these records.

61.514 Initial child custody jurisdiction.—

(1) Except as otherwise provided in s. 61.517, a court of this state has jurisdiction to make an initial child custody determination only if:

(a) This state is the home state of the child on the date of the commencement of the proceeding, or was the home state of the child within 6 months before the commencement of the proceeding and the child is absent from this state but a parent or person acting as a parent continues to live in this state;

(b) A court of another state does not have jurisdiction under paragraph (a), or a court of the home state of the child has declined to exercise jurisdiction on the grounds that this state is the more appropriate forum under s. 61.520 or s. 61.521, and:

1. The child and the child's parents, or the child and at least one parent or a person acting as a parent, have a significant connection with this state other than mere physical presence; and

2. Substantial evidence is available in this state concerning the child's care, protection, training, and personal relationships;

(c) All courts having jurisdiction under paragraph (a) or paragraph (b) have declined to exercise jurisdiction on the grounds that a court of this state is the more appropriate forum to determine the custody of the child under s. 61.520 or s. 61.521; or

(d) No court of any other state would have jurisdiction under the criteria specified in paragraph (a), paragraph (b), or paragraph (c).

(2) Subsection (1) is the exclusive jurisdictional basis for making a child custody determination by a court of this state.

(3) Physical presence of, or personal jurisdiction over, a party or a child is not necessary or sufficient to make a child custody determination.

61.515 Exclusive, continuing jurisdiction.—

(1) Except as otherwise provided in s. 61.517, a court of this state which has made a child custody determination consistent with s. 61.514

or s. 61.516 has exclusive, continuing jurisdiction over the determination until:

(a) A court of this state determines that the child, the child's parents, and any person acting as a parent does not have a significant connection with this state and that substantial evidence is no longer available in this state concerning the child's care, protection, training, and personal relationships; or

(b) A court of this state or a court of another state determines that the child, the child's parent, and any person acting as a parent does not presently reside in this state.

(2) A court of this state which has made a child custody determination and does not have exclusive, continuing jurisdiction under this section may modify that determination only if it has jurisdiction to make an initial determination under s. 61.514.

61.516 Jurisdiction to modify a determination.—Except as otherwise provided in s. 61.517, a court of this state may not modify a child custody determination made by a court of another state unless a court of this state has jurisdiction to make an initial determination under s. 61.514(1)(a) or s. 61.514(1)(b) and:

(1) The court of the other state determines it no longer has exclusive, continuing jurisdiction under s. 61.515 or that a court of this state would be a more convenient forum under s. 61.520; or

(2) A court of this state or a court of the other state determines that the child, the child's parents, and any person acting as a parent does not presently reside in the other state.

61.517 Temporary emergency jurisdiction.—

(1) A court of this state has temporary emergency jurisdiction if the child is present in this state and the child has been abandoned or it is necessary in an emergency to protect the child because the child, or a sibling or parent of the child, is subjected to or threatened with mistreatment or abuse.

(2) If there is no previous child custody determination that is entitled to be enforced under this part, and a child custody proceeding has not been commenced in a court of a state having jurisdiction under ss. 61.514-61.616, a child custody determination made under this section remains in effect until an order is obtained from a court of a state having jurisdiction under ss. 61.514-61.516. If a child custody proceeding has not been or is not commenced in a court of a state having jurisdiction under ss. 61.514-61.516, a child custody determination made under this section becomes a final determination if it so provides and this state becomes the home state of the child.

(3) If there is a previous child custody determination that is entitled to be enforced under this part, or a child custody proceeding has been commenced in a court of a state having jurisdiction under ss. 61.514-61.516, any order issued by a court of this state under this section must specify in the order a period that the court considers adequate to allow the person seeking an order to obtain an order from the state having jurisdiction under ss. 61.514-61.516. The order issued in this state remains in effect until an order is obtained from the other state within the period specified or the period expires.

(4) A court of this state which has been asked to make a child custody determination under this section, upon being informed that a child custody proceeding has been commenced in, or a child custody determination has been made by, a court of a state having jurisdiction under ss. 61.514-61.516, shall immediately communicate with the other court. A court of this state which is exercising jurisdiction under ss. 61.514-61.516, upon being informed that a child custody proceeding has been commenced in, or a child custody determination has been made by, a court of another state under a statute similar to this section shall immediately communicate with the court of that state to resolve the emergency, protect the safety of the parties and the child, and determine a period for the duration of the temporary order.

61.518 Notice; opportunity to be heard; joinder.—

(1) Before a child custody determination is made under this part, notice and an opportunity to be heard in accordance with the standards of s. 61.509 must be given to all persons entitled to notice under the laws of this state as in child custody proceedings between residents of this state, any parent whose parental rights have not been previously terminated, and any person acting as a parent.

(2) This part does not govern the enforceability of a child custody determination made without notice or an opportunity to be heard.

(3) The obligation to join a party and the right to intervene as a party in a child custody proceeding under this part are governed by the laws of this state as in child custody proceedings between residents of this state.

61.519 Simultaneous proceedings.—

(1) Except as otherwise provided in s. 61.517, a court of this state may not exercise its jurisdiction under ss. 61.514-61.524 if, at the time of the commencement of the proceeding, a proceeding concerning the custody of the child had been commenced in a court of another state having jurisdiction substantially in conformity with this part, unless the proceeding has been terminated or is stayed by the court of the other state because a court of this state is a more convenient forum under s. 61.520.

(2) Except as otherwise provided in s. 61.517, a court of this state, before hearing a child custody proceeding, shall examine the court documents and other information supplied by the parties pursuant to s. 61.522. If the court determines that a child custody proceeding was previously commenced in a court in another state having jurisdiction substantially in accordance with this part, the court of this state shall stay its proceeding and communicate with the court of the other state. If the court of the state having jurisdiction substantially in accordance with this part does not determine that the court of this state is a more appropriate forum, the court of this state shall dismiss the proceeding.

(3) In a proceeding to modify a child custody determination, a court of this state shall determine whether a proceeding to enforce the determination has been commenced in another state. If a proceeding to enforce a child custody determination has been commenced in another state, the court may:

(a) Stay the proceeding for modification pending the entry of an order of a court of the other state enforcing, staying, denying, or dismissing the proceeding for enforcement;

(b) Enjoin the parties from continuing with the proceeding for enforcement; or

(c) Proceed with the modification under conditions it considers appropriate.

61.520 Inconvenient forum.—

(1) A court of this state which has jurisdiction under this part to make a child custody determination may decline to exercise its jurisdiction at any time if it determines that it is an inconvenient forum under the circumstances and that a court of another state is a more appropriate forum. The issue of inconvenient forum may be raised upon motion of a party, the court's own motion, or request of another court.

(2) Before determining whether it is an inconvenient forum, a court of this state shall consider whether it is appropriate for a court of another state to exercise jurisdiction. For this purpose, the court shall allow the parties to submit information and shall consider all relevant factors, including:

(a) Whether domestic violence has occurred and is likely to continue in the future and which state could best protect the parties and the child;

(b) The length of time the child has resided outside this state;

(c) The distance between the court in this state and the court in the state that would assume jurisdiction;

(d) The relative financial circumstances of the parties;

(e) Any agreement of the parties as to which state should assume jurisdiction;

(f) The nature and location of the evidence required to resolve the pending litigation, including testimony of the child;

(g) The ability of the court of each state to decide the issue expeditiously and the procedures necessary to present the evidence; and

(h) The familiarity of the court of each state with the facts and issues in the pending litigation.

(3) If a court of this state determines that it is an inconvenient forum and that a court of another state is a more appropriate forum, it shall stay the proceedings upon condition that a child custody proceeding be promptly commenced in another designated state and may impose any other condition the court considers just and proper.

(4) A court of this state may decline to exercise its jurisdiction under this part if a child custody determination is incidental to an action for divorce or another proceeding while still retaining jurisdiction over the divorce or other proceeding.

61.521 Jurisdiction declined by reason of conduct.—

(1) Except as otherwise provided in s. 61.517 or by other law of this state, if a court of this state has jurisdiction under this part because a person seeking to invoke its jurisdiction has engaged in unjustifiable conduct, the court shall decline to exercise its jurisdiction unless:

(a) The parents and all persons acting as parents have acquiesced in the exercise of jurisdiction;

(b) A court of the state otherwise having jurisdiction under ss. 61.514-61.516 determines that this state is a more appropriate forum under s. 61.520; or

(c) No court of any other state would have jurisdiction under the criteria specified in ss. 61.514-61.516.

(2) If a court of this state declines to exercise its jurisdiction under subsection (1), it may fashion an appropriate remedy to ensure the safety of the child and prevent a repetition of the unjustifiable conduct, including staying the proceeding until a child custody proceeding is commenced in a court having jurisdiction under ss. 61.514-61.516.

(3) If a court dismisses a petition or stays a proceeding because it declines to exercise its jurisdiction under subsection (1), it shall assess against the party seeking to invoke its jurisdiction necessary and reasonable expenses, including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and expenses for child care during the course of the proceedings, unless the party from whom fees are sought establishes that the assessment would be clearly inappropriate. The court may not assess fees, costs, or expenses against this state unless authorized by law other than this part.

61.522 Information to be submitted to the court.—

(1) Subject to Florida law providing for the confidentiality of procedures, addresses, and other identifying information in a child custody proceeding, each party, in its first pleading or in an attached affidavit, shall give information, if reasonably ascertainable, under oath as to the child's present address or whereabouts, the places where the child has lived during the last 5 years, and the names and present addresses of the persons with whom the child has lived during that period. The pleading or affidavit must state whether the party:

(a) Has participated, as a party or witness or in any other capacity, in any other proceeding concerning the custody of or visitation with the child and, if so, identify the court, the case number, and the date of the child custody determination, if any;

(b) Knows of any proceeding that could affect the current proceeding, including proceedings for enforcement and proceedings relating to domestic violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding; and

(c) Knows the names and addresses of any person not a party to the proceeding who has physical custody of the child or claims rights of legal custody or physical custody of, or visitation with, the child and, if so, the names and addresses of those persons.

(2) If the information required by subsection (1) is not furnished, the court, upon motion of a party or its own motion, may stay the proceeding until the information is furnished.

(3) If the declaration as to any of the items described in paragraphs (1)(a)-(c) is in the affirmative, the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to details of the information furnished and other matters pertinent to the court's jurisdiction and the disposition of the case.

(4) Each party has a continuing duty to inform the court of any proceeding in this or any other state which could affect the current proceeding.

61.523 Appearance of parties and child.—

(1) In a child custody proceeding in this state, the court may order a party to the proceeding who is in this state to appear before the court in person with or without the child. The court may order any person who is in this state and who has physical custody or control of the child to appear in person with the child.

(2) If a party to a child custody proceeding whose presence is desired by the court is outside this state, the court may order that a notice given pursuant to s. 61.509 include a statement directing the party to appear in person with or without the child and informing the party that failure to appear may result in a decision adverse to the party.

(3) The court may enter any orders necessary to ensure the safety of the child and of any person ordered to appear under this section.

(4) If a party to a child custody proceeding who is outside this state is directed to appear under subsection (2) or desires to appear in person before the court with or without the child, the court may require another party to pay reasonable and necessary travel and other expenses of the party so appearing and of the child.

61.524 Definitions.—As used in ss. 61.524-61.540, the term:

(1) "Petitioner" means a person who seeks enforcement of an order for return of a child under the Hague Convention on the Civil Aspects of International Child Abduction or enforcement of a child custody determination.

(2) "Respondent" means a person against whom a proceeding has been commenced for enforcement of an order for return of a child under the Hague Convention on the Civil Aspects of International Child Abduction or enforcement of a child custody determination.

61.525 Enforcement under the Hague Convention.—Under this part, a court of this state may enforce an order for the return of a child made under the Hague Convention on the Civil Aspects of International Child Abduction as if it were a child custody determination.

61.526 Duty to enforce.—

(1) A court of this state shall recognize and enforce a child custody determination of a court of another state if the latter court exercised jurisdiction in substantial conformity with this part or the determination was made under factual circumstances meeting the jurisdictional standards of this part and the determination has not been modified in accordance with this part.

(2) A court of this state may use any remedy available under other laws of this state to enforce a child custody determination made by a court of another state. The remedies provided by ss. 61.524-61.540 are cumulative and do not affect the availability of other remedies to enforce a child custody determination.

61.527 Temporary visitation.—

(1) A court of this state which does not have jurisdiction to modify a child custody determination may issue a temporary order enforcing:

(a) A visitation schedule made by a court of another state; or

(b) The visitation provisions of a child custody determination of another state which does not provide for a specific visitation schedule.

(2) If a court of this state makes an order under paragraph (1)(b), it shall specify in the order a period that it considers adequate to allow the petitioner to obtain an order from a court having jurisdiction under the criteria specified in ss. 61.514-61.523. The order remains in effect until an order is obtained from the other court or the period expires.

61.528 Registration of child custody determination.—

(1) A child custody determination issued by a court of another state may be registered in this state, with or without a simultaneous request for enforcement, by sending to the circuit court of the county where the petitioner or respondent resides or where a simultaneous request for enforcement is sought:

(a) A letter or other document requesting registration;

(b) Two copies, including one certified copy, of the determination sought to be registered and a statement under penalty of perjury that, to the best of the knowledge and belief of the person seeking registration, the order has not been modified; and

(c) Except as otherwise provided in s. 61.522, the name and address of the person seeking registration and any parent or person acting as a parent who has been awarded custody or visitation in the child custody determination sought to be registered.

(2) On receipt of the documents required by subsection (1), the registering court shall:

(a) Cause the determination to be filed as a foreign judgment, together with one copy of any accompanying documents and information, regardless of their form; and

(b) Serve notice upon the persons named pursuant to paragraph (1)(c) and provide them with an opportunity to contest the registration in accordance with this section.

(3) The notice required by paragraph (2)(b) must state that:

(a) A registered determination is enforceable as of the date of the registration in the same manner as a determination issued by a court of this state;

(b) A hearing to contest the validity of the registered determination must be requested within 20 days after service of notice; and

(c) Failure to contest the registration will result in confirmation of the child custody determination and preclude further contest of that determination with respect to any matter that could have been asserted.

(4) A person seeking to contest the validity of a registered order must request a hearing within 20 days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

(a) The issuing court did not have jurisdiction under ss. 61.514-61.523;

(b) The child custody determination sought to be registered has been vacated, stayed, or modified by a court having jurisdiction to do so under ss. 61.514-61.523; or

(c) The person contesting registration was entitled to notice, but notice was not given in accordance with the standards of s. 61.509 in the proceedings before the court that issued the order for which registration is sought.

(5) If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law and the person requesting registration and all persons served must be notified of the confirmation.

(6) Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

61.529 Enforcement of registered determination.—

(1) A court of this state may grant any relief normally available under the laws of this state to enforce a registered child custody determination made by a court of another state.

(2) A court of this state shall recognize and enforce but may not modify, except in accordance with ss. 61.514-61.523, a registered child custody determination of another state.

61.530 Simultaneous proceedings.—If a proceeding for enforcement under ss. 61.524-61.540 is commenced in a court of this state and the court determines that a proceeding to modify the determination is pending in a court of another state having jurisdiction to modify the determination under ss. 61.514-61.523, the enforcing court shall immediately communicate with the modifying court. The proceeding for enforcement continues unless the enforcing court, after consultation with the modifying court, stays or dismisses the proceeding.

61.531 Expedited enforcement of child custody determination.—

(1) A petition under ss. 61.524-61.540 must be verified. Certified copies of all orders sought to be enforced and of any order confirming registration must be attached to the petition. A copy of a certified copy of an order may be attached instead of the original.

(2) A petition for enforcement of a child custody determination must state:

(a) Whether the court that issued the determination identified the jurisdictional basis it relied upon in exercising jurisdiction and, if so, specify the basis;

(b) Whether the determination for which enforcement is sought has been vacated, stayed, or modified by a court whose decision must be enforced under this part and, if so, identify the court, the case number, and the nature of the proceeding;

(c) Whether any proceeding has been commenced that could affect the current proceeding, including proceedings relating to domestic violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding;

(d) The present physical address of the child and the respondent, if known;

(e) Whether relief in addition to the immediate physical custody of the child and attorney's fees is sought, including a request for assistance from law enforcement officers and, if so, the relief sought; and

(f) If the child custody determination has been registered and confirmed under s. 61.528, the date and place of registration.

(3) Upon the filing of a petition, the court shall issue an order directing the respondent to appear in person with or without the child at a hearing and may enter any order necessary to ensure the safety of the parties and the child. The hearing must be held on the next judicial day after service of the order unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The court may extend the date of the hearing at the request of the petitioner.

(4) An order issued under subsection (3) must state the time and place of the hearing and advise the respondent that at the hearing the court will order that the petitioner may take immediate physical custody of the child and the payment of fees, costs, and expenses under s. 61.535 and may schedule a hearing to determine whether further relief is appropriate, unless the respondent appears and establishes that:

(a) The child custody determination has not been registered and confirmed under s. 61.528 and that:

1. The issuing court did not have jurisdiction under ss. 61.514-61.523;

2. The child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under ss. 61.514-61.523; or

3. The respondent was entitled to notice, but notice was not given in accordance with the standards of s. 61.509 in the proceedings before the court that issued the order for which enforcement is sought; or

(b) The child custody determination for which enforcement is sought was registered and confirmed under s. 61.528, but has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under ss. 61.514-61.523.

61.532 *Service of petition and order.*—Except as otherwise provided in s. 61.534, the petition and order must be served by any method authorized by the laws of this state upon the respondent and any person who has physical custody of the child.

61.533 *Hearing and order.*—

(1) Unless the court enters a temporary emergency order under s. 61.517, upon a finding that a petitioner is entitled to immediate physical custody of the child, the court shall order that the petitioner may take immediate physical custody of the child unless the respondent establishes that:

(a) The child custody determination has not been registered and confirmed under s. 61.528 and that:

1. The issuing court did not have jurisdiction under ss. 61.514-61.523;

2. The child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under ss. 61.514-61.523; or

3. The respondent was entitled to notice, but notice was not given in accordance with the standards of s. 61.509 in the proceedings before the court that issued the order for which enforcement is sought; or

(b) The child custody determination for which enforcement is sought was registered and confirmed under s. 61.528, but has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under ss. 61.514-61.523.

(2) The court shall award the fees, costs, and expenses authorized under s. 61.535 and may grant additional relief, including a request for the assistance of law enforcement officers, and set a further hearing to determine whether additional relief is appropriate.

(3) If a party called to testify refuses to answer on the ground that the testimony may be self-incriminating, the court may draw an adverse inference from the refusal.

(4) A privilege against disclosure of communications between spouses and a defense of immunity based on the relationship of husband and wife or parent and child may not be invoked in a proceeding under ss. 61.524-61.540.

61.534 *Warrant to take physical custody of child.*—

(1) Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of a warrant to take physical custody of the child if the child is likely to imminently suffer serious physical harm or removal from this state.

(2) If the court, upon the testimony of the petitioner or other witness, finds that the child is likely to imminently suffer serious physical harm or removal from this state, it may issue a warrant to take physical custody of the child. The petition must be heard on the next judicial day after the warrant is executed unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The application for the warrant must include the statements required by s. 61.531(2).

(3) A warrant to take physical custody of a child must:

(a) Recite the facts upon which a conclusion of imminent serious physical harm or removal from the jurisdiction is based;

(b) Direct law enforcement officers to take physical custody of the child immediately; and

(c) Provide for the placement of the child pending final relief.

(4) The respondent must be served with the petition, warrant, and order immediately after the child is taken into physical custody.

(5) A warrant to take physical custody of a child is enforceable throughout this state. If the court finds on the basis of the testimony of the petitioner or other witness that a less intrusive remedy is not effective, it may authorize law enforcement officers to enter private property to take physical custody of the child. If required by exigent circumstances of the case, the court may authorize law enforcement officers to make a forcible entry at any hour.

(6) The court may impose conditions upon placement of a child to ensure the appearance of the child and the child's custodian.

61.535 *Costs, fees, and expenses.*—

(1) So long as the court has personal jurisdiction over the party against whom the expenses are being assessed, the court shall award the prevailing party, including a state, necessary and reasonable expenses incurred by or on behalf of the party, including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and expenses for child care during the course of the proceedings, unless the party from whom fees or expenses are sought establishes that the award would be clearly inappropriate.

(2) The court may not assess fees, costs, or expenses against a state unless authorized by law other than this part.

61.536 *Recognition and enforcement.*—A court of this state shall accord full faith and credit to an order issued by another state and consistent with this part which enforces a child custody determination by a court of another state unless the order has been vacated, stayed, or modified by a court having jurisdiction to do so under ss. 61.514-61.523.

These agencies shall immediately conduct a joint investigation, unless independent investigations are more feasible. When conducting investigations onsite or having face-to-face interviews with the child, such investigation visits shall be unannounced unless it is determined by the department or its agent that such unannounced visits would threaten the safety of the child. When a facility is exempt from licensing, the department shall inform the owner or operator of the facility of the report. Each agency conducting a joint investigation shall be entitled to full access to the information gathered by the department in the course of the investigation. A protective investigation must include an onsite visit of the child's place of residence. In all cases, the department shall make a full written report to the state attorney within working days after making the oral report. A criminal investigation shall be coordinated, whenever possible, with the child protective investigation of the department. Any interested person who has information regarding the offenses described in this subsection may forward a statement to the state attorney as to whether prosecution is warranted

(3) *The provision of psychotropic medication to a child in the legal custody of the department, and in compliance with this subsection, shall be deemed in compliance with the restrictions in s. 743.0645(1)(b).*

(a) *A court order is not required to dispense psychotropic medication to a child in the legal custody of the department under any of the following conditions:*

1. *If a child was taking prescribed psychotropic medications at the time the child was removed from the home, the department may take possession of the remaining medications when the department takes the child, and may dispense those medications on a temporary basis until the next regularly scheduled court hearing required under this chapter, other than the shelter hearing, if such hearing occurs within 60 days of the time the child was removed.*

2. *Psychotropic medications may be dispensed in advance of issuance of a court order if the prescribing physician indicates in writing that delay in dispensing the medication could be detrimental to the child. The order required under this subsection shall be sought by the department at the next regularly scheduled court hearing required under this chapter, or within 60 days of the prescription, whichever is sooner; or*

3. *In an acute care setting.*

(b) *A motion seeking court authority to dispense psychotropic medication to a child in the legal custody of the department must be supported by the prescribing physician's signed medical report or, if not available, an affidavit from the prescribing physician indicating:*

1. *The name of the child and the name and dosage of the psychotropic medication, and indicating that there is a need to prescribe psychotropic medication to the child based upon a diagnosed condition for which such medication is indicated and that there is a plan of treatment that addresses treatment alternatives that are or are not available or desirable.*

2. *That the psychotropic medication at its prescribed dosage is appropriate for the treatment of the child's diagnosed medical condition, as well as the behaviors and symptoms the medication at its prescribed dosage level is expected to address.*

3. *That the prescribing physician has provided to the child, if age-appropriate, the department and any person responsible for the child in his or her residential setting, a clinically appropriate explanation of the nature and purpose of the treatment; the recognized side effects, risks, and contraindications of the medication; and drug interaction precautions.*

4. *Whether the psychotropic medication will replace or supplement any other currently prescribed medications or treatments; the length of time the child is expected to be taking the medication; and any additional medical, counseling, or other services that the prescribing physician believes are necessary or would be beneficial for the treatment of the child's medical condition and that the physician expects or advises to be provided to the child in concert with the medication.*

The department shall have the burden of compliance with and proof of the provisions of this paragraph.

(c) *At a hearing to determine whether to initially allow dispensing of psychotropic medication to a child in the legal custody of the department,*

or at a hearing for continuation of such medication, the medical report or affidavit described in paragraph (b) are admissible in evidence. The prescribing physician is not required to attend the hearing or testify unless the court specifically orders such attendance or testimony. If the medical report or affidavit, the medical passport, and other evidence are in accord with the requirements of this subsection, the court shall order the dispensing or continuation of psychotropic medication without further testimony or evidence. The court shall further inquire of the department as to whether the additional medical, counseling, or other services that the prescribing physician believes are necessary or would be beneficial for the treatment of the child's medical condition and that the physician expects or advises to be provided to the child in concert with the medication are being provided to the child by the department. The court may require further medical consultation, including obtaining a second opinion, based upon considerations of the best interests of the child, and the court may not order the discontinuation of prescribed psychotropic medication contrary to the decision of the prescribing physician without first obtaining a second opinion from a licensed physician that the psychotropic medication should be discontinued.

(d) The court shall review the medical passport and the status of the child's progress on psychotropic medication at least every 6 months, which may be accomplished during timely scheduled judicial review hearings pursuant to s. 39.701. On its own motion or on good cause shown by any party, including any guardian ad litem, attorney, or attorney ad litem who has been appointed to represent the child or his or her interests, the court may review the status more frequently than required in this paragraph.

(e) If at any time the court determines that the statutory requirements for continued use of the psychotropic medication are not being met, the court may, in the best interests of the child, order the department to either produce evidence of compliance with the requirements of this section or obtain a medical opinion that continued use of the medication under the circumstances is safe and medically appropriate. If at any time the court determines that the additional medical, counseling, or other services that the prescribing physician believes are necessary or would be beneficial for the treatment of the child's medical condition and that the physician expects or advises to be provided to the child in concert with the medication are not being provided, the court may, in the best interests of the child, order the department to either produce evidence of compliance with the requirement of providing those services or obtain a medical opinion that such services are not medically appropriate.

Section 5. This act shall take effect July 1, 2002.

Representative(s) Melvin offered the following:

(Amendment Bar Code: 200819)

Amendment 1 (with title amendment)—On page 3, between lines 7 and 8, of the bill

insert:

Section 3. Subsection (4) is added to section 230.235, Florida Statutes, to read:

230.235 Policy of zero tolerance for crime and victimization.—

(4) The name of any student who reports the presence of illegal drugs as defined in chapter 893 or a weapon or firearm as described by chapter 790, on or off any school campus, or who reports impending or suspected activities that may result in injury to any person on or off any school campus, held by a school principal or the school principal's staff shall be exempt from the provisions of s. 119.07(1) and s. 24(a), Art. 1 of the State Constitution. Such exempt information shall not be disclosed to any person or entity not approved by the school principal or the school principal's designee, except that such information shall be disclosed to the reporting student's parent or legal guardian or law enforcement authorities if such information is requested by the reporting student's parent or legal guardian or by law enforcement authorities. If information made exempt by this subsection is used in a criminal, civil, or administrative proceeding, the exempt status of such information must be maintained. This exemption applies to such information held by a school principal or the school principal's staff before, on, or after the effective date of this exemption. This exemption is subject to the Open Government Sunset Review Act of 1995 in accordance with s. 119.15, and shall stand repealed on October 2, 2007, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 4. The Legislature finds that it is a public necessity that the name of a student who reports the presence of illegal drugs or a weapon or firearm, or who reports impending or suspected activities that may result in injury to any person, held by a school principal or the school principal's staff be made exempt from public disclosure, because release of the reporting student's name could place the student in danger. Furthermore, release of such student's name would impair the effective and efficient administration of any school program designed to provide students with the opportunity to anonymously report illegal activities that might take place on or off a school campus. Without anonymity, students would most likely be reluctant to participate in such program.

And the title is amended as follows:

On page 1, line 11, after the semicolon

and insert: amending s. 230.235; providing an exemption from public records requirements for the name of any student who reports the presence of illegal drugs or a weapon or firearm on or off any school campus, or who reports impending or suspected activities that may result in injury to any person on or off any school campus, held by a school principal or the school principal's staff; providing for disclosure of such information to specified persons upon request; providing for retroactive application of the exemption; providing for future review and repeal; providing a finding of public necessity;

Rep. Melvin moved the adoption of the amendment. Subsequently, **Amendment 1** was withdrawn.

Representative(s) Green offered the following:

(Amendment Bar Code: 560717)

Amendment 1 (with title amendment)—
Remove everything after the enacting clause
and insert:

Section 1. Subsection (1) of section 651.015, Florida Statutes, is amended to read:

651.015 Administration; forms; fees; rules; fines.—The administration of this chapter is vested in the department, which shall:

(1) Prepare and furnish all forms necessary under the provisions of this chapter in relation to applications for provisional certificates of authority, certificates of authority or renewals thereof, statements, examinations, and other required reports. *The department is authorized to accept any application statement, report, or information submitted electronically or by facsimile to comply with requirements in this chapter or rules adopted under this section. The department may adopt rules to implement the provisions of this subsection.*

Section 2. Paragraph (d) of subsection (1) of section 651.033, Florida Statutes, is amended to read:

651.033 Escrow accounts.—

(1) When funds are required to be deposited in an escrow account pursuant to s. 651.022, s. 651.023, s. 651.035, or s. 651.055:

(d) All funds deposited in an escrow account, if invested, shall be invested as set forth in part II of chapter 625; however, such investment

shall not diminish the funds held in escrow below the amount required by this chapter. All funds deposited in an escrow account shall not be subject to any charges by the escrow agent except escrow agent fees associated with administering the accounts, or subject to any liens, judgments, garnishments, creditor's claims, or other encumbrances against the provider or facility except as provided in s. 651.035(2)(4).

Section 3. Subsections (1) and (2) of section 651.035, Florida Statutes, are amended to read:

651.035 Minimum liquid reserve requirements.—

(1) *A provider shall maintain in escrow a minimum liquid reserve consisting of the applicable reserves specified in subsection (2).*

(2)(4)(a) *A provider shall maintain in escrow as a debt service reserve and as a minimum liquid reserve an amount equal to the aggregate amount of all principal and interest payments due during the fiscal year on any mortgage loan or other long-term financing of the facility, including taxes and insurance as recorded in the audited financial statements required under s. 651.026. The amount shall include any leasehold payments and all costs related to same. If principal payments are not due during the fiscal year, the provider shall maintain in escrow as a minimum liquid reserve an amount equal to interest payments due during the next 12 months on any mortgage loan or other long-term financing of the facility, including taxes and insurance. For the purpose of this paragraph, the amount of property insurance premiums used in calculating the debt service reserve shall not exceed the amount paid in calendar year 1999. For providers initially licensed during or after calendar year 1999, the amount of property insurance premiums used in calculating the debt service reserve shall not exceed the amount paid during the first 12 months of facility operation. However, beginning January 1, 2006, and each year thereafter, until the amount maintained in escrow attributable to property insurance equals 100 percent of the premium, the provider shall increase the amount maintained in escrow for property insurance by 10 percent of the premium paid that year.*

(b) A provider which has outstanding indebtedness which requires what is normally referred to as a "debt service reserve" to be held in escrow pursuant to a trust indenture or mortgage lien on the facility and for which the debt service reserve may only be used to pay principal and interest payments on the debt which the debtor is obligated to pay, and which may include taxes and insurance, may include such debt service reserve in its computation of its minimum liquid reserve to satisfy this subsection, provided that the provider furnishes to the Department of Insurance a copy of the agreement under which such debt service is held, together with a statement of the amount being held in escrow for the debt service reserve, certified by the lender or trustee and the provider to be correct. The trustee shall provide the department with any information concerning the debt service reserve account upon request of the provider or the department.

(c)(2)(a) Each provider shall maintain in escrow an operating reserve in an amount equal to 30 percent of the total operating expenses projected in the feasibility study required by s. 651.023 for the first 12 months of operation. Thereafter, each provider shall maintain in escrow an operating reserve in an amount equal to 15 percent of the total operating expenses in the annual report filed pursuant to s. 651.026. Where a provider has been in operation for more than 12 months, the total annual operating expenses shall be determined by averaging the total annual operating expenses reported to the department by the number of annual reports filed with the department within the immediate preceding 3-year period subject to adjustment in the event there is a change in the number of facilities owned. For purposes of this subsection, total annual operating expenses shall include all expenses of the facility except: depreciation and amortization; interest, insurance and taxes included in subsection (1); extraordinary expenses which are adequately explained and documented in accordance with generally accepted accounting principles; *liability insurance premiums in excess of those paid in calendar year 1999; and changes in the obligation to provide future services to current residents. For providers initially licensed during or after calendar year 1999, liability insurance shall be included in the total operating expenses in an amount not to exceed the premium paid during the first 12 months of facility operation.* Beginning

January 1, 1993, the operating reserves required under this subsection shall be in an unencumbered account held in escrow for the benefit of the residents. Such funds may not be encumbered or subject to any liens or charges by the escrow agent or judgments, garnishments, or creditors' claims against the provider or facility. However, if a facility had a lien, mortgage, trust indenture, or similar debt instrument in place prior to January 1, 1993, which encumbered all or any part of the reserves required by this subsection and such funds were used to meet the requirements of this subsection, then such arrangement may be continued, unless a refinancing or acquisition has occurred, and the provider shall be in compliance with this subsection.

(d)(b) Each provider shall maintain in escrow a renewal and replacement reserve in an amount equal to 15 percent of the total accumulated depreciation based on the audited financial statement required to be filed pursuant to s. 651.026, not to exceed 15 percent of the facility's average operating expenses for the past 3 fiscal years based on the audited financial statements for each of such years. For a provider who is an operator of a facility but is not the owner and depreciation is not included as part of the provider's financial statement, the renewal and replacement reserve required by this paragraph shall equal 15 percent of the total operating expenses of the provider, as described in this section. Each provider licensed prior to October 1, 1983, shall be required to fully fund the renewal and replacement reserve by October 1, 2003, by multiplying the difference between the former escrow requirement and the present escrow requirement by the number of years the facility has been in operation after October 1, 1983.

Section 4. Subsection (8) of section 651.118, Florida Statutes, is amended, and subsection (13) is added to said section, to read:

651.118 Agency for Health Care Administration; certificates of need; sheltered beds; community beds.—

(8) A provider may petition the Agency for Health Care Administration to use a designated number of sheltered nursing home beds to provide extended congregate care as defined in s. 400.402 if the beds are in a distinct area of the nursing home which can be adapted to meet the requirements for extended congregate care. The provider may subsequently use such beds as sheltered beds after notifying the agency of the intended change. *Any sheltered beds used to provide extended congregate care pursuant to this subsection may not qualify for funding under the Medicaid waiver. Any sheltered beds used to provide extended congregate care pursuant to this subsection may share common areas, services, and staff with beds designated for nursing home care, provided that all of the beds are under common ownership. For the purposes of this subsection, fire and life safety codes applicable to nursing home facilities shall apply.*

(13) *Residents, as defined in this chapter, are not considered new admissions for the purpose of s. 400.141(15)(d).*

Section 5. This act shall take effect July 1, 2002.

And the title is amended as follows:

On page ,
remove: the entire title

and insert: A bill to be entitled An act relating to continuing care retirement communities; amending s. 651.015, F.S.; authorizing the Department of Insurance to accept certain documents and information relating to continuing care contracts electronically or by facsimile; authorizing the department to adopt rules; amending s. 651.033, F.S.; correcting a cross reference; amending s. 651.035, F.S.; revising minimum liquid reserve requirements for continuing care providers; amending s. 651.118, F.S.; providing a funding limitation on sheltered beds used to provide extended congregate care in a continuing care facility; authorizing certain sharing of facilities and services between such sheltered beds and nursing home beds in such facilities; exempting continuing care facility residents from certain calculations relating to moratoriums on new nursing home admissions; providing an effective date.
