Mrs. Matte graciously provided us with a copy of her letter to the Governor. I have attached that letter to this posting both in her original Microsoft Word format and in an Adobe PDF format.

If you need Adobe's FREE reader you can download it from Adobe's website at:

I am also going to go ahead and delete from this website information regarding the Commission since that part of the process is concluded.

I will not delete any of the applicants emails' until the earlier of the two following events occur: 1) you affirmatively email me and ask me to take you off the list to receive any further information; or the Governor makes his appointments.

Once the Governor makes his appointments I will then remove all Email contacts - except for the five appointees. I will then, if they request, keep this forum up for their use. Of course, they will likely want to set up their own methods of communication. Best of luck to all the nominees!
